ACTION TAKEN REPORT BY COLLEGE COUNCIL ON FEEDBACK RECEIVED FROM VARIOUS STAKEHOLDERS

A. Action taken by the college by looking at teacher's feedback:

1. Most of the teachers had demanded good internet connectivity and college administration had provided 10 MBPS internet connection to the science block as per demanded by the science faculty. Second 10MBPS internet connection is provided to the office and college Library to improve working of office and to make library services online. In addition to this college already has one lease line connection for computer labs and office.
2. Department of Mathematics, Commerce and Economics demanded a separate Computer Lab. Hence college administration has sent a proposal to RUSA for setting up a separate central lab for these departments. The other departments can also access computer related facility.
3. Six ICT enabled rooms are there in the college where projectors are installed for displaying the PPT etc. Here teachers can share recent domain knowledge with their students. Some more ICT enabled rooms will be prepared in coming session if third instalment of RUSA grant is received by the college.
4. Time to time staff meetings are organised by the college to address various issues in the college.

B. Action taken by the college by looking at students' feedback:

1. Most of the teachers are taking their classes through various modes such as Google Meet, Zoom, LMS and Whats apps groups by sharing study material, taking live classes, self recorded lectures and lectures available on UGC site and various other platforms to the students.
2. Feedback from students on subjects taught was taken in the form of class tests time to time by all the teachers.
3. In other activities various cultural fests are organised time to time such as Parvaj, Talent Hunt Shows, Quizzes, Poster Making Competition, Declamation Contests, Speech Competition, Rangoli Making Competition etc. Annual Athletic Meet is conducted every year to show talent in sport activities. College has facilities for Kabbadi (Mat), Volley-Ball, Basket Ball Court, Kho-Kho, Table Tennis, Chess, Carom Board, Gym and Open Gym facility for students to enhance their sport skills in the college.
4. Motivational talks are organised for students through placement cell and various subject societies the college.

C. Action taken by the college by looking at Parent's feedback:

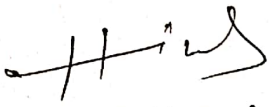

1. Parent's main demand was for arrangement of faculty in the Panjabi subject which is communicated to the department with letter no. dated..... V.C. 01/07/2021
2. Introduction of Music as a new subject will be demanded by the college administration in next session.
3. Offline study will be started as and when the department permits the college after covid-19 restriction is over.
